 - First call - Richard Byrne, Radio Channel 2, (205) 393-0530.
 - If an emergency, say **"RICHARD, RICHARD, RICHARD, EMERGENCY"**; provide your name and location; await a response.
 - For non-emergencies, say, "Richard, Richard, Richard, this is _____ at the Lower Rec Lot," and await a response. If no response after two minutes, try again.
 - Second call - Clif Homan, Radio Channel 2 (205) 695-3157. May answer radio calls for Richard Byrne if he's unavailable.
 - After midnight - Lisa Bortz, Radio Channel 2 (205) 910-5262.

- **UAPD - 205-348-5454.** If you punch the call button on any of the blue emergency posts, UAPD dispatch will respond immediately. This is actually faster than 911 on campus.

2. Rules & Procedures for Parking Vehicles

- Every RV must have a pass. They must present the pass upon entering the lot.
 - Verify that the tag and vehicle description match the pass; mark an "X" through the game block on their pass; return the pass to the driver.
- Collect tow passes for vehicles in tow or other additional vehicles entering with the party.
 - One vehicle per tow pass. They must have a tow pass to bring a vehicle into the lot - no exceptions.
 - If they leave the lot in the tow vehicle, return the pass to them. Collect it again upon their return.
- RVs must be parked in the spots reserved for them (see map). All patron equipment has to stay inside that spot.
- Fire lanes must remain open and passable at all times.
- Barricades and signs must be posted from 5 PM on Friday until 8 AM on Sunday. Move only to allow vehicles to enter and exit. Lot does not open until 6 PM on Friday.
 - The secondary entrance (the one closest to the Rec Center) must be open on Friday afternoons from 6 PM until 9 PM.

3. Attendance, Attire, and Conduct

- **Attendance:**
 - You must be on time always. Early is on time; on time is late. Arrive at least 15 minutes before the start of your shift. Be aware of when the games start and end as this may affect your ability to reach the lot on time. Plan accordingly.
 - If you discover that you will have to miss your shift, **you must notify Kaysn Holliday by 5:30 PM on Thursday** before the game.
 - Valid excuses for missing shift: death, imminent death, acute illness of self or immediate family; or an unavoidable work conflict that is beyond your control and unplanned.
 - Even in these cases, you must notify John Ratliff or one of the other Troop 3 leaders listed above at least 30 minutes prior to the start of your shift.

- ***Do not leave your post until your relief shift has arrived.*** If the next shift hasn't arrived at 10 minutes past, call Kaysn Holliday or one of the other Troop 3 leaders listed above.
- Failure to comply with these requirements may end your ability to participate in Troop 3 activities.

- **Attire:**

- Every person working the lot must wear either a safety yellow Troop 3 parking shirt or a reflective vest (provided).
 - Reflective vests must be worn after dark, regardless of what shirt you're wearing.
- You must dress appropriately.
 - At no time while present will you wear clothing items supporting teams or organizations other than The University of Alabama or the Boy Scouts of America.
 - Your attire must be professional, yet functional. Absolutely no alcohol, tobacco, drugs, or unprofessional references.
 - Richard would like for you to tuck your shirt.

- **Conduct:**

- ***You may not accept money from anyone for anything while working this lot*** - not even a tip or gift from a well-meaning fan. If you do accept money, you will be banned from working parking lots and likely expelled from the Troop/Pack. The ONLY way someone buys a parking spot on the UA campus is through UA.
 - If someone is dead set on supporting the troop/pack with a donation, they'll have to wait until the season's end and then make a donation by check or money order. If that's the case, they need to talk to John.
- The Scout Oath and Law apply: we are trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.
- Be nice to everyone, even if they are rude to you. If you need help, call Richard on the radio or UAPD (205) 348-5454.
- Remember - you are being watched, both in person and by surveillance cameras.
 - UA is a non-smoking campus, even outside. Don't let folks see you smoking, especially not while wearing your shirt or vest.
 - Mind the boys' behavior: no playing in the lot; hanging from trees; sleeping near the gate; throwing footballs or other objects near fans or vehicles; or engaging in any other activity that reflects poorly on Troop 3 or UA or may cause property damage.
 - This is work and the boys are expected to work. They need to be making regular safety patrols once the RVs are parked and set up. Make sure they have one of the Troop radios connecting them to an adult with a Gameday radio.
